## Chorus Photographs

We will be taking chorus photographs on the contest stage. Upon completion of your second contest song, please accept the audience's applause. The lights will NOT be brought down. Your chorus should move into your photo pose. Once everyone is in place, the director will need to cue the convention staff member on stage right. The photographer will take four (4) pictures from the balcony. When the photographer is finished, the stage lights will be brought down and you will then exit the stage, stage left.
